COMPUTING LIVE! EVENT FOR KEY STAGE 4 & 5

Computing Live! is a fantastic opportunity to bring the curriculum to life and inspire your students' future careers. Expert and Live speaker presentations gives your learners the opportunity to access people from high profile organisations who provide relevant examples and case studies for exams. Our quality speakers are chosen based on their ability to meet the learning objectives of the Computing curriculums at KS4 and KS5, which your students can then take out into the Disneyland Parks and apply in a practical and fun way.

SPEAKERS

We carefully select relevant and high calibre speakers who are experts in their field to deliver their first hand industry experience at the event.

"We definitely want to come back next year. Your trip represented better value for money than the rival company as the pupils had one more day in the park. - Churchdown School Academy"

"The speakers were excellent. The pupils really enjoyed the conference and it was very relevant to their learning. Bathgate Academy"

"Learners came away with ideas to discuss and were engaged by the issues raised. Birmingham Metropolitan College"
